### **Mission Statement:**

l'Eté du Vin is a self-sustaining, non-profit, charitable organization which exists solely to raise funds to support the fight against cancer.

The organization's primary focus is its series of wine-related events and activities. All activities operate within a framework of social and educational events, thus stimulating an environment of "natural giving" by those who love and appreciate wine.

Toward that end, l'Eté du Vin cultivates participation by the domestic and international wine communities to work in conjunction with businesses, restaurants, entertainment, and communications firms, as well as individuals united in the common goal of winning the battle against cancer.

l'Eté du Vin is a 501(c)3 non-profit organization raising funds to support the fight against cancer.

Federal tax ID number is 71-0918163.
